Notes

- This form is a fillable pdf apart from the signature boxes, as for junior members we require handwritten signatures.
- Membership nominally runs from January to December. Members who have not renewed by 1st March are deemed to have resigned. New members who join on or after the 1st September get the following year included.
- Tick 'First' if you are not currently a member of another club. Tick 'Second' if you are a member of another club and you wish to keep it as your main club. You will race for your first claim club. You may participate in Cambridge CC events but will not qualify for Cambridge CC prizes.
- Household membership covers a maximum of two adults and named dependants living at the same address. Complete a separate form for each member of the household. Under 18s need to complete the first page of this form, which must also be signed by a parent or legal guardian, who in addition must complete the parental consent.
- Members of the club are referred to the [British Cycling Best Practice Guidelines](#) and are expected to comply with the guidelines to ensure the safety of other road users.
- Other than for specific racing events Cambridge Cycling Club does NOT offer third party insurance to members participating in club rides and hence there is no protection for claims made against them. Therefore we strongly recommend that members ensure that they obtain their own public liability insurance - for example through British Cycling (0161 274 2000 – ½ price membership for club members for the first year) or Cycling UK, the national cycling charity (0844 736 8450). No cover is provided by the club's insurer if you accidentally damage your bike or it is stolen. Household contents insurance MAY provide cover. All riders should ensure they have adequate insurance for their needs.
- Anyone taking part in a group ride, irrespective of whether they consider another to be a "leader," must appreciate that they are responsible for their own actions. If a member is involved in an incident where a third party is injured or has property damaged they must stop and offer contact details irrespective of who is at fault.
- There are many types of racing, some of the main ones are:
 - ⇒ Road Races (administered by the British Cycling, BC) are mass-start races; the first to cross the finish line wins. Races are typically 30 to 120 miles in length and take place on circuit courses. A racing licence has to be purchased and events normally have to be entered in advance. British Cycling: www.britishcycling.org.uk.
 - ⇒ Time Trialling (administered by the Cycling Time Trials, CTT) is a race against the clock, competitors starting (usually) at one-minute intervals. Normally the winner is the person that covers the course in the shortest time. Time Trials are usually between 10 and 100 miles. 'Open' events have to be entered in advance but 'Club' events are on-the-line entry. A licence is not needed: www.cyclingtimetrials.org.uk
 - ⇒ Cyclo-cross is a mass start race but on an off-road course, with natural or man-made obstacles. Races are typically one hour in length. A licence is not needed and most events can be entered on-the-line. Mountain bikes can usually be used: <https://www.easterncross.org.uk>
- If you are interested in racing, but do not know how to start, please contact a member of the committee.
